

HELP WANTED!

Are you the person I'm looking for?

I am a year old who lives in .

I need a provider to help me with:

Homemaker/Personal Care services (residential services) to help with learning some independent living skills such as cleaning and hygiene care as well as working on social skills. Once rapport is established, family would like staff to do things in the community with him.

Some of things that are important to me are:

He loves playing on his X-Box and with his toy car collection. He enjoys riding his bike to the park. He enjoys animals, watching TV, playing on his tablet, listening to music, and camping. He has a great sense of humor and loves to have fun and laugh.

Things that are important for me include:

- * Taking his medications (family will do)
- * Having a consistent and predictable routine
