

HELP WANTED!

Are you the person I'm looking for?

I am a year old who lives in .

I need a provider to help me with:

Administering medications, nutrition, fluids via G tube, positioning, bathing. Having reliable and trustworthy people providing for her needs.

Some of things that are important to me are:

Friends, family, being around people, watching TV, and people working with her that know how she should be positioned.

Things that are important for me include:

Having opportunities to socialize. Reliable people working with her that know how she should be positioned.
