GETTING TO KNOW DSP OF THE MONTH

THERESA HOLTZ

What do you like to do in your free time?

Spend time with my grandchildren; take them to parks.

How long have you worked as a Direct Support Professional?

I'm in my third year as a DSP.

What got you started in the field?

A friend of mine, Sherri, inspired me to come work with Wynn-Reeth.

Was there a mentor in this field that has stood out for you?

Rhonda Weyer is my mentor. She stood by me and believed in me, that I could do the job I was hired to do—to make the guys I work for feel safe and be happy.

What is your favorite thing to do with the people you serve?

I love to see the smiles on their faces when they're excited to see me come in to work with them; just the little things that make them happy.

What is your favorite part of being a Direct Support Professional?

I always do my best in my work to provide the best possible health and safety in the home of the people I support, letting them know that we are here to care and provide happiness in their lives.

CONGRATULATIONS, THERESA!
